Attention:

Office of Legislative Liaison  
Liaison Division, Rm 7B24

Dear Mr. Casey:

Enclosed for your review and comments are 10 copies of our draft report, Commitment to Southwest Asia: Implications for U.S. and Allied Defense [redacted].

We emphasize that this is a draft of a proposed report and is subject to revision. It is being sent to those having management responsibility for the matters discussed. Recipients of this draft must not show or release its content for purposes other than official review and comment. The draft and all copies belong, and must be returned on request, to the General Accounting Office.

It is requested that your comments be provided within 30 days of the date of this letter. 31 U.S.C. 718 (b) limits the period of time for comment on this report to 30 days from the date of this letter unless the Comptroller General grants an extension after the head of the agency shows (1) that a longer period is necessary and (2) that an extension is likely to result in improvement in the accuracy of the report. We would prefer written comments, but oral comments are acceptable provided your designee speaks officially for the agency. Please have your representative inform H.C. Young (557-1482), within 15 days of the date of this letter, whether written comments will be provided. If they will not be provided, a meeting can be arranged to obtain oral comments before the end of the 30-day period.

The Departments of Defense and State have also been furnished copies for review, comment, and security classification.

Sincerely yours,

Frank C. Conahan  
Director
